

May 2, 2016

Dear Parents or Guardians,

The following information is meant to be of assistance to you as we prepare for the 2016-2017 school year. Please be sure to read both sides. Please notify the school by May 16, 2016 of any changes in plans for your child's/children's attendance for the upcoming school year. Please keep us informed of changes of address, telephone numbers, email addresses and the party responsible for billing.

The School Board and Parish Council have approved the budget with only a 2.5% increase in tuition for the 2016-2017 school year. *In order to receive the Participating Catholic rate for tuition, a Catholic family must be registered, active, and contribute to the offertory in a recognizable way (envelope or check) as a means of verification of attendance . The Catholic rate will not be granted unless you are active and participating, which will be determined by the pastor.*

We offer two methods of payment: Payment in full by July 15, 2016 **OR** monthly payments, which will **ONLY** be handled through FACTS Tuition Management Program. If you selected the FACTS monthly payment option, your payments will be paid on an eleven-month basis from August through June, with tuition and student fees included in your monthly payment. If you are a returning family who used the FACTS Tuition Management Program last year, you will be automatically re-enrolled using the same banking information unless you notify Clare Zeigler in the parish office to make changes. If you are new to St. Peter the Apostle School or a returning family who did not use FACTS last year, you will have to enroll online. Please go to the school website and under the "Admissions" tab you will find a link to the "FACTS Payment Plan Enrollment". *Please complete the online enrollment by June 15, 2016.* For returning families - if you did not indicate the FACTS Management payment option on your Pre-registration form and would like to use this service, you may enroll online by June 15, 2016.

Please do not hesitate to call the school office (897-5224) or Clare Zeigler in the parish office (897-5156) if you have any questions regarding the contents of this letter.
