

Breakfast Biscuits from Chick-fil-a in support of Achromatopsia

Matthew Gavin is a pre-kindergartener at SPA school and has a condition called Achromatopsia.

What is Achromatopsia?

Achromatopsia is a non-progressive and hereditary visual disorder which is characterized by decreased vision, light sensitivity, and the absence of color vision. In the U.S. it affects about 1 in every 33,000 people

Pre-Kindergarten students are having a fundraiser to help Matthew's family purchase special equipment and fund research for a cure. Breakfast biscuits will be pre-sold for \$3.25 a biscuit, and then delivered on Thursday, March 19, 2015. If you would like to purchase a breakfast biscuit for this day, please fill out the attached form and send it back to school with your money by Friday, March 13th.

BOTH PARENTS AND CHILDREN ARE WELCOME TO BUY BISCUITS. Buy some for your office or a co-worker!

YOU MUST PRE-BUY YOUR SANDWICHES, NO EXTRA SANDWICHES WILL BE AVAILABLE FOR PURCHASE.

(If you are buying for your work, pick up for your biscuits will be in front of the Church. Children's biscuits will be delivered to their homerooms at 7:45 a.m. on the 19th.)

RETURN ORDER FORM FOR BREAKFAST BISCUITS FROM CHICK-FIL-A. All orders are due Friday, March 13th, 2015. (No exceptions.) **Please fill out separate order forms for each child, however, you may write one check.**

Please make all checks payable to St. Peter the Apostle School.

Cost is \$3.25 per Breakfast biscuit.
